How to use the calendar

Gazetted dates and restricted dates are kept separate. A restricted holiday does not by itself close the school. National-day celebrations may be held separately by the school.

The 2nd and 4th Saturday pattern, summer break (15 May-30 June), winter break (1-14 January), tests and picnics are carried forward for school approval. Proposed April openings are 6 April for Grades I-X and 8 April for Nursery and Prep, avoiding Good Friday and Sunday; proposed summer reopening is 1 July.

No exact activity, examination or picnic dates were supplied. Monthly activity lists are retained. Janmashtami, Diwali, Raksha Bandhan and other festival holiday dates have been updated independently of those lists.

January-March 2027 uses the National Portal central holiday calendar and IMD festival dates. A Delhi-specific 2027 notification was not located; confirm local applicability before issuing the calendar. Moon-dependent dates remain subject to official revision.
